# Miller & Rhoads

## Men's Shirts, 50c REGULAR \$1 QUALITY.

White Oxford cloth, light weight, smooth finish, all sizes. Garments that are cut full width & length. Correctly proportioned, attached cuffs, well laundered & in every respect compare favorably with many dollar values. These garments were made not far from Richmond, where labor is less expensive than in large cities & freight charges very little.

We bought them special, & can sell them the same way. A wonderfully good value for half a dollar.

### IGNORANCE MAY PASS WITH OUR GENERATION

### VALLEY BUILDING DISGRACE

Harry Smith Brands It as Shame on Civilization-Big Educational Rally.

until after the present generation had been gathered to its fathers, leaving men with broader views in the legislative bodies. He compared the awakening to the pilgrimage of the Children of Israel to the land of Canaan, when it was decreed that they should wander in the wilderness until the last of the old generation had passed away.

As an example of the present obstinacy, due mostly to ignorance, he made reference to the statement of a 200-pound man, who advised less robust mortals that it was not dangerous to

portals that it was not dangerous to their health to sleep in the room with

their health to sleep in the room with a gas stove.

In the absence of the speaker scheduled to discuss school buildings, A. B. Clarke, a member of the school board, spoke briefly on the progress and policy of the city in erecting new and well-equipped school buildings.

Disgrace to Civilization.
At Smith was called to the ros-He said that there was no doubt trum. He said that there was no doubt of the fact that the Valley School wap the most disgraceful school building in the confines of the United States. He was glad that it had become so dilapidated that no further use could be made of it else he supposed the board would wis it for the next hundred years. He suggested that when the new building was erected it be situated away from Jail Alley. He made a plea for the colored people and declared that education lessened crime.

Mr. Smith advised also that in compling criminal statistics every colored man be questioned as to the extent of his education, in order that it might be shown that the great majority of the shown that the great majority of the offenders were practically ignorant.

Former City Employe Gets No Damages
for Action of Market Committee.

In the Law and Equity Court yesterday a verdict in favor of the city
was rendered in the suit of W. P. Stewart against the city of Richmond.
Stewart leased a stail in the First Market from Clerk J. E. Sullivan, who
had dispossessed another linekster for
failure to pay his rent in advance. The
former lessee of the stall appealed to
the Council Committee on Markets,
showing that he had paid \$75 for a
